Roads and Pavement Update

3 March 2015

James Duttweiler
Director, Public Works

Our mission is to provide Soldiers, Civilians and their Families with a quality of life commensurate with the quality of their service.

We are the Army's Home

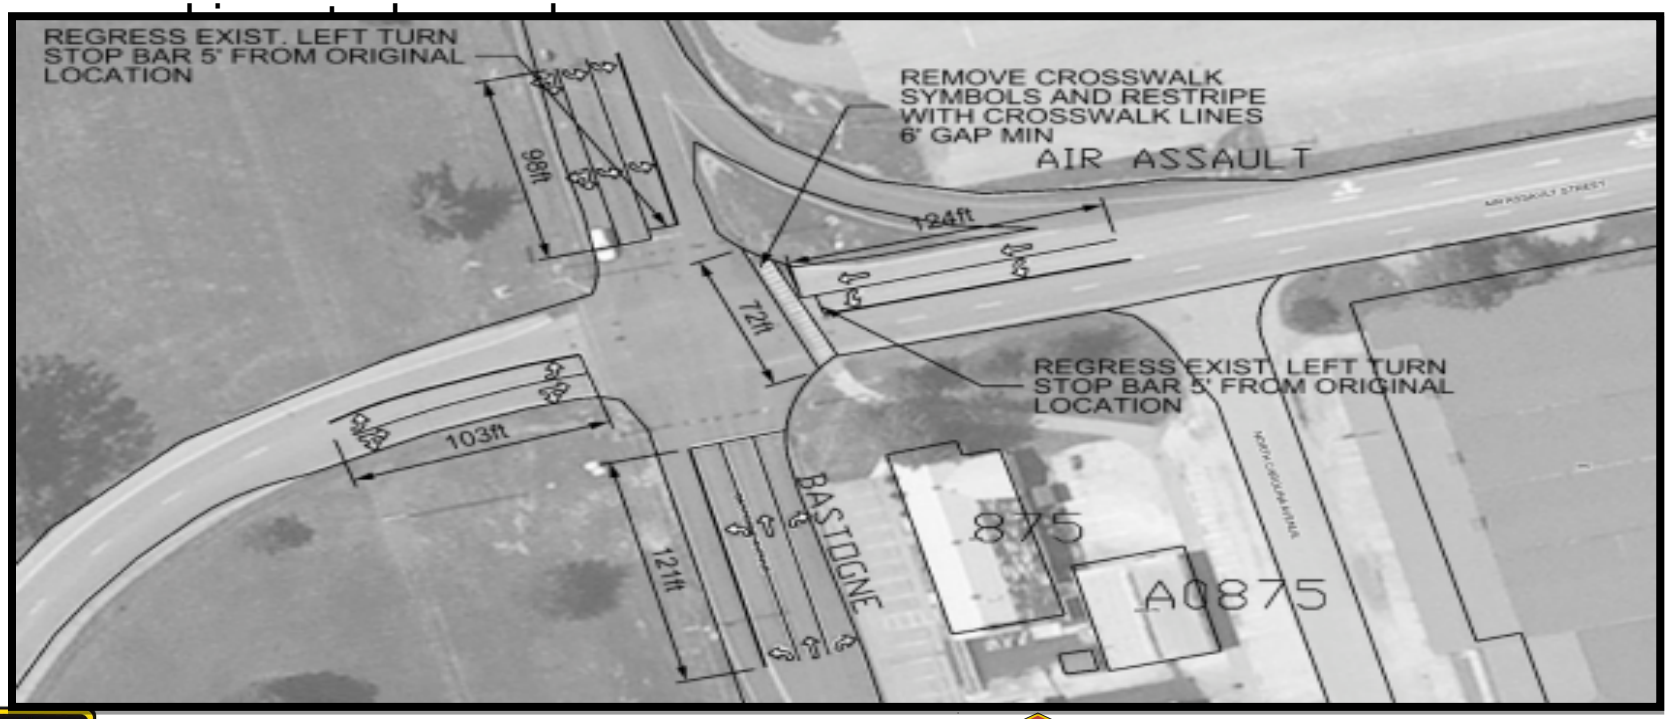
PURPOSE: To provide an update on upcoming Fort Campbell road and pavement projects.

How We Find and Fix Pot Holes

- DPW obtains locations of pothole and pavement repair needs from the general public, ICE remarks, Commanders notes and DPW Roads Crew assessments
- DPW uses a combination of contractors and in-house roads crews to repair roads
- DPW procured a paving machine to enhance DPW capabilities and supplements our pot hole repair machine

Road Markings

- Re-Striping and application of new pavement markings to begin April 2015 on one fourth of the pavement inventory. Example shown below of intersection



Lee Road – Gate 1 Outbound Widening

- **Time Frame:** April – October 2015
- **Scope:** Widen Gate 1 / Lee Road from Fort Campbell Blvd (41 A) to Bastogne Avenue. Once complete, project will have two outbound and two inbound lanes through the Access Control Point
- **Impact:** Periodic closures of Gate 1 for one direction or the other, some extended in time (2 weeks or more).
- **Mitigation:** Adjusted hours for Gate 2 and Gate 3

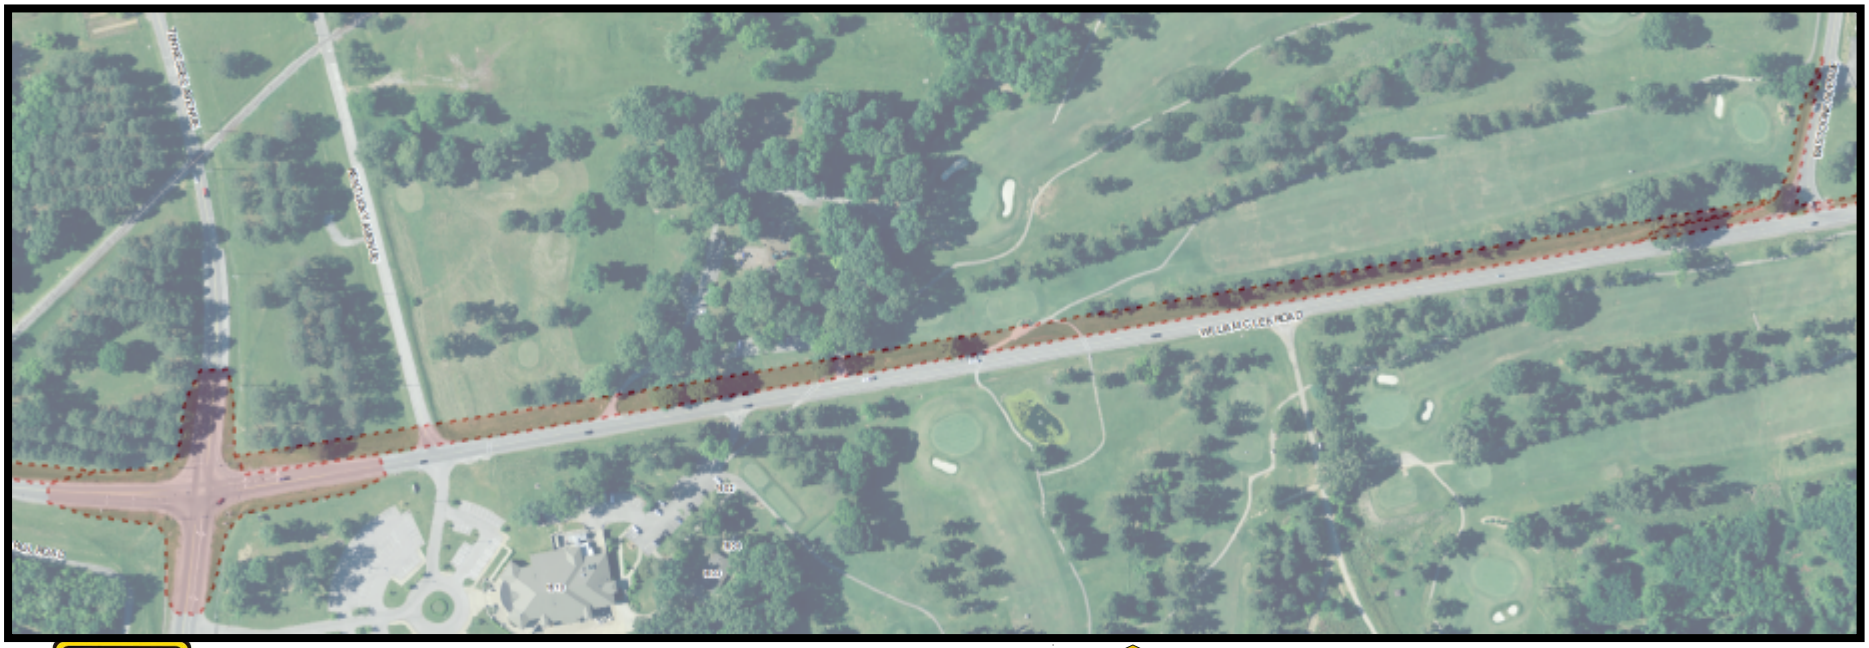
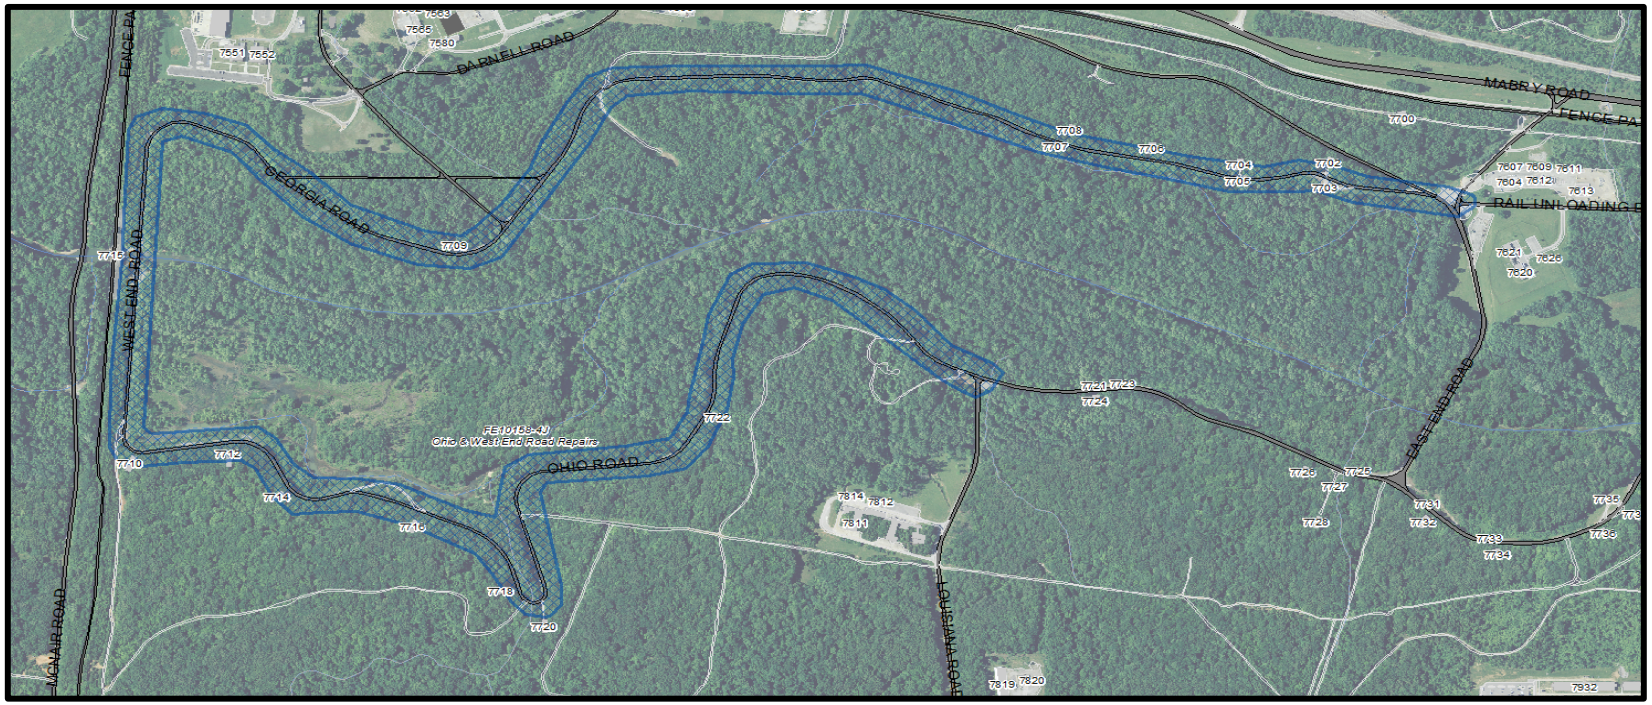
Lee Road Improvements

- **Time Frame:** April – November 2015
- **Scope:** Widen Lee Road from Bastogne Avenue to 101st Airborne Road. Once complete, this MILCON project will provide three traffic lanes (two outbound & one inbound) to facilitate east/west corridor into and out of the installation.
- **Impact:** Periodic closing of Lee Road, disruption of access to Cole Park Commons
- **Mitigation:** Cole Park access from 101st Airborne Division Road



Road Improvements

- Ohio & West End Road Repairs for POVs (Clarksville Base)



RV Lot Road Improvements

- **Time Frame:** April – Jun 2015
- **Scope:** Widen and repair existing gravel road and culvert
- **Impact:** Access to ammo. transfer lot & DOL RV lot will be impacted to minor degree
- **Mitigation:** One lane will remain open at all times

Road Improvements

- 52nd Street (Angels) Repair and Intersection Widening at Wickham

Youth Resilience Puppet Show

Deployment is a part of Army life that all Soldiers and Families cope with. This program is geared to provide skills to young children and their Families to prepare them for life before, after, and

When: March 24th, 6 p.m.

Where: Family Resource Center (FRC) 1501 William C. Lee Road

Focus: Resiliency, coping strategies ,and staying connected during deployment. Our Goal is to provide military children with a creative resource for instilling resiliency by utilizing puppetry, music, dialogue, and brief lessons based on Dr. Ken Ginsburg's 7 C's of resiliency. Competence, Confidence, Connection, Character, Contribution, Coping and Control.
